

Carrollton/Farmers Branch ARES Siren Test Net Script

Opening

Calling the Carrollton-Farmers Branch ARES net. This is [____ call ____], my name is [____ name ____] and I will be your net control operator. This net has been activated at the request of the Cities of Farmers Branch and Carrollton for the purpose of testing the outdoor warning sirens. I would ask at this time unless you are participating in this exercise that you would respectfully keep this frequency clear until the exercise is complete.

I will now take check-ins from those operators who are currently at their assigned locations. As I call your site number, please come with your call sign and your first name. This is [____ call ____].

[Carrollton first, then Farmers Branch roll call]

After test

As I call your site number, please come with your report and call sign.

[Carrollton first, then Farmers Branch roll call. Don't forget to include your own report.]

Closing

On behalf of the Cities of Farmers Branch and Carrollton, thank you for your service today. We would like to thank as well the Metrocrest Amateur Radio Society for allowing us the use of their repeater and now return the repeater to normal amateur use. Wishing 7-3 to all, this is [____ call ____] closing the net at [____ time ____].
