

## **Dalla Amateur Radio Club Nets Schedule**

All DARC nets on 146.88 MHz , tone is 110.9.

ARRL NTS DFW Early Traffic Net: Daily, 6:30 p.m.

National Traffic System Local Net

All radio amateurs are invited to participate in this net to learn how to handle formal message traffic. This is a critical skill in emergency nets. It can make the difference between being helpful and just being in the way.

DARC Vet Net: Wednesdays, 7:00 p.m.

For veterans, reservists, active-duty military personnel, and hams who support and appreciate the vets in our ranks and their service to our country. Everyone is welcome and encouraged to check in.

DARC Tech Net: Saturdays, 7:00 p.m.

Rookie Q&A, Techtalk, DFW ham news, ask the elmers, swapshop. Newly licensed hams are especially welcome. Every ham is gladly welcomed!

DARC SkyNet: Saturdays, 9:00 p.m.

Astronomy Forum with Program

The sky tonight, space news, space history (and trivia), telescopes, cosmology, Big Bang(s), star mythology. All radio amateurs are invited to participate in this net. If you check in, you will learn something.

DARC Meeting on the Air: 1st and 3rd Sunday, 7:00 p.m.

What the Club members are doing.

All radio amateurs are welcome—that means YOU!

DARC Hamfixin's Net: 1st and 3rd Monday, 7:00 p.m.

New net for people who like to cook 'n' eat! Bring your recipe cards and kitchen lore and join in the food talk. See what the other hams are cooking up!

DARC ECOMM Net: 2nd Monday, 7:00 p.m.

Emergency Preparedness Discussion.

DARC Geek Net: 4th Monday, 7:00 p.m.

Come to discuss all things Geeky, scientific, digital, current, brainy, recherché

DARC Surprise Net: 5th Monday, 7:00 p.m.

Don't know what to do on those rare 5th Mondays? Check into the surprise net. Last net concerned use of Beverages to regenerate synapses damaged by RF.

Dallas RACES Training Net: 1st and 3rd Sunday, 8:00 p.m.

Formal emergency training net

Interesting and informative net to monitor, but Part 97 of FCC rules does not allow non-RACES appointed stations to transmit unless they have emergency traffic.
